

A background image showing a group of students in a classroom. In the foreground, a young man and woman are looking at a computer screen. The man is pointing at the screen with his right hand. The woman is looking at the screen with a smile. In the background, two other students are visible, also looking at the screen. The image is slightly blurred and has a light blue tint.

Creator Labs

Build creators, influencers, and entrepreneurs inside schools

The Orange Economy Opportunity missed out!

The Problem

- Students **consume content daily** but never learn to create it
- Schools miss a chance to build **visible student outcomes**
- Most programmes deliver **no real parent-facing value**

The Opportunity

- Students learn **real skills** that AI cannot take away!
- Schools get **brand visibility** through student content
- Imagine a student making **₹10 Lakhs before passing!**
